Assunto: Agreement with Saab

Dear Mrs. Mautoni,

As you are aware of, we have been discussing the agreement relation with Bengt Janér for quite some time and I believe he has kept you informed. Based on the discussions and negotiations with Bengt we have drafted new agreements and I am enclosing a proposal for a package of agreements. It consists of three different agreements:

- One to compensate you for work already carried out; and
- One for the marketing phase (incl. appendix); and
- One for the contractual support (incl. appendix), which becomes effective if we get the contract

Please review these documents and do not hesitate to contact me in case you have any questions. I would appreciate if you specifically could review and amend the appendices regarding the provided services. I would be grateful if we could add more specific services that you provide to us.

Preliminary I plan to visit Brazil soon and if it is convenient for you I would like to suggest a meeting Thursday the 8th of December so we could discuss and hopefully finalize the new agreement.

Best Regards

Per Robertsson
